Grand National 2027 Sweepstake Kit

Randox Grand National - Saturday 10 April 2027 - off 4:00pm - Aintree

How to run your sweepstake

1. Agree the price per slip (e.g. £1 or £2) and gather your players.
2. Print page 3 onwards and cut out the 34 numbered slips.
3. Fold the slips into a bowl or hat and let each player draw at random.
4. Record who drew which number on the tracking sheet (page 2).
5. Once the field is declared (race week), write each horse next to its number using the official racecard order. Unused numbers can be redrawn or refunded.
6. Agree the prize split before the race, then pay out after the result.

Suggested prize split

- 1st place: 70% of the pot
- 2nd place: 20%
- 3rd place: 10%
- Optional fun prize: first to fall or pull up (a small refund of their stake)

If a horse doesn't run

Non-runners are common in race week. Agree in advance whether the player gets a redraw from the unused numbers or their money back.

Fair play

Keep it friendly and keep stakes small. All money collected should go back out as prizes - nobody should make a profit from running the sweepstake.
Everyone taking part must be 18 or over.
